## **Creative Writing**

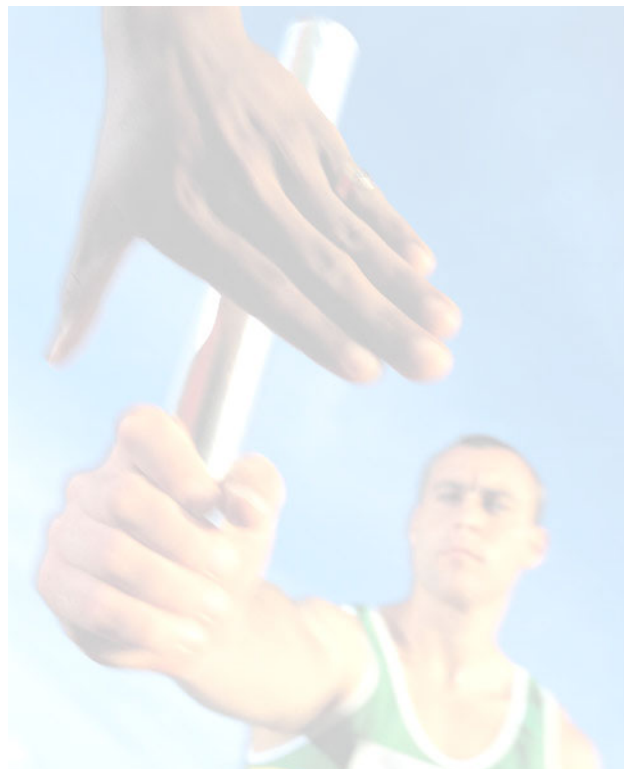

Look at the images on the following page and use one as a starting point, for a piece of creative writing.

Write about an idea, a character, a vision or an emotion. Choose one picture or title and use this to either begin or end your creative writing piece, or to form a central theme to your writing piece.

Do not use these pictures and words as they are used in *Deadly Vibe*, but rather make your own story using the images.

Go on, get carried away and be really creative!

Write about 500 words.
