

## FESTIVAL FEVER

The Woodford Folk Festival is held every year over the New Year period.

The festival lasts for six days and includes culture, music, food and celebration.

The Aboriginal Program at this year's festival was very popular. It featured the Yulu Burri-Ba Dancers (bottom left), traditional Aboriginal artists and dancers, and musicians Jimmy Little, Bobby McLeod, Kev Carmody and Troy n Trevelyn and The Tribe.

**ACTIVITY 1:** Place a circle around the words that start with an **f** sound
